- Campus Safety has the responsibility and authority to administer the Biola Traffic Policy, including traffic control and parking on Biola property. Biola does not assume responsibility for any damage to a vehicle due to theft, vandalism, flood, fire or accident. All Conference Services guest vehicles must be registered through Conference Services and must display this permit at all times parked on campus.
- The maximum speed limit for all vehicles on campus is 15 miles per hour. Passing a moving vehicle is not permitted on any campus road. Drivers must come to a full stop at all stop signs and yield to pedestrians and to other vehicles, when merging into traffic. No vehicles are allowed on sidewalks, walkways, grass areas or athletic fields. All vehicles on campus must comply with the regulations stipulated in the Campus Safety Annual Security Report, as well as state safety regulations.
- Biola is committed to providing a safe and healthy working and learning environment for students, faculty, staff and guests on its campus; it upholds a strict tobacco, alcohol, and drug free policy on all parts of campus.

**Prior to arrival on Biola's campus,  
fill in the information, print out the pass and place it on the dashboard (driver's side).  
Pass must be visible at all times while on campus.**
